Philadelphia District

PROJECT FACTSHEET

Bethany Beach, Pennsylvania Avenue Improvement Bethany Beach, DE

January 2009

CONGRESSIONAL DISTRICTS: Rep. Castle (DE-AL)

APPROPRIATION / PHASE:
Continuing Authorities/Feasibility

BUSINESS PROGRAM:
Flood Damage Reduction

AUTHORITY: Section 205 of the Flood Control Act of 1948, as amended.

LOCATION: The study area is located along Pennsylvania Avenue at Bethany Beach, DE.

DESCRIPTION: The area along Pennsylvania Avenue at Bethany Beach, DE has been subject to recurring flooding. This is a heavily developed portion of the Delaware coast. The study area sustains frequent flood damages each year. Damages include both residential and commercial damages and have been previously evaluated by an engineering firm for the local community.

STATUS: FY09 funds would be used to initiate and complete a feasibility study, followed by negotiation and execution of the Project Partnership Agreement with the non-Federal sponsor.
